RECEIVED

The Hon. James Baker III
Secretary of State
The Department of State
2201 C Street, NW
Washington, DC 20520

Dear Mr. Secretary:

I regret to say that the peace process between the Arabs and the Jews will fail for the following reasons:

1. Because Shamir and his Gang of terrorists and War Criminals do not want peace. Their ultimate objective is to annex the occupied Arab areas and expel the Arab populations.

2. Shamir and his Gang have no intention of withdrawing from the Golan Heights and Southern Lebanon. According to military commentators in The Hebrew Press, they have decided to wage war on Syria in June, 1992.

3. They want to drag negotiations and sabotage it. The Israeli elections in June are part of this trick. Even after the elections, the Israeli government will keep delaying and postponing any meaningful negotiations.

4. Shamir and his Gang are using the Israeli Lobby to work secretly by devious methods, with the Democratic Party to defeat President Bush in November. They believe that a democratic President will give Israel a carte blanche in the Middle East. We are sure that their efforts will not succeed. The American people are fed up with Israel and the Israeli Lobby.

Mr. Secretary,

You have invested a great deal of your time and efforts to start this peace process. Unfortunately, you

were misled by your advisers, namely, Messers Lawrence Eagleburger, Dennis Ross, Harvey Sicherman and others, who are members of the Washington Institute for Near East Policy, to base the negotiations between Palestinians and Israel on the idea of self-rule for five years. Self-rule for five years period is a great injustice for the Palestinians. It will only enable the Israelis to continue controlling the area, usurp more lands, imprison and torture more people, and aggravate the situation. This solution is not an implementation, but a violation, of Security Council Resolution 242. It is contrary to United Nations Resolutions and International Law and Justice. Israeli withdrawal from the West Bank and Gaza is the only proper and just implementation of Security Council Resolution 242.

Mr. Secretary,

We are a great admirer of you and President Bush, and we want you to succeed in your noble efforts to bring peace and justice to the Middle East. Therefore, we respectfully submit the following suggestions to guarantee the success of your efforts:

1. The United States, together with the other Permanent Members of the Security Council, should request the Security Council to order Israel to withdraw immediately its armed forces, military and civil administrations from the West Bank, Gaza, the Golan Heights, and Southern Lebanon. United Nations forces can replace Israeli forces in these areas for six months during which an Arab delegation and an Israeli delegation will negotiate to solve all the disputes between them.

2. If Israel refuses to withdraw, economic sanctions should be imposed. The United States and other countries should stop all military, financial, and economic aid to Israel.

3. The Security Council should immediately request an advisory opinion from the International Court of Justice on the following matters:

- (a) What is the legal effect of the General Assembly Resolution 181 (II) of the 29th of November, 1947?

- (b) What are the recognized boundaries of Israel?

(c) What is the effect of Resolution 194 (III) regarding the rights of Palestinian refugees to be repatriated to their towns and villages?

(d) Are the Palestinians entitled for the restitution of their properties which were usurped by Israel from 1948 to 1991?

(e) What is the legal position of Israel as a Belligerent Occupant of the West Bank and Gaza, the Golan Heights, and Southern Lebanon?

(f) Is the establishment of Israeli settlements in the West Bank and Gaza and the Golan Heights a violation of International Law?

(g) Is the settlement of Jews who are either Israeli citizens, American citizens, or Soviet citizens in the West Bank and Gaza a violation of International Law?

(h) Do the practices of Israel in the West Bank and Gaza against the Palestinians constitute War Crimes, and Crimes Against Humanity?

(i) What is the proper interpretation of Security Council Resolution 242?

(j) What is the status of Jerusalem according to United Nations resolutions and what is the best solution for the situation of Jerusalem, in accordance with United Nations Resolutions and International Law?

4. After replacement of Israeli forces by the United Nations forces and the receipt of the Advisory Opinion of the International Court of Justice, the Security Council should appoint a Committee under the chairmanship of the United Nations Secretary General or his deputy to supervise negotiations between a joint Arab delegation composed of Palestinians, Syrians, and Lebanese to negotiate with an Israeli delegation, either in New York, Washington, Geneva or London on the following matters:

(a) Boundaries.

(b) Return of the refugees who were expelled in 1948 from 80% of Palestine.

(c) Restitution of the Palestinian properties which were usurped from 1948 to 1967 to their rightful

owners, and restitution to the Jewish owners who were living in Syria, Lebanon, Yemen, Iraq, Egypt, Libya, Algeria and Morocco of all their properties which they left behind or which were confiscated by the governments of these countries.

(d) Agreement about the status of Jerusalem.

(e) Withdrawal of all Jewish settlers from the West Bank, Gaza, the Golan Heights, and Southern Lebanon, and giving the Jewish settlements to the Palestinian refugees and Syrian refugees as part of the restitution and compensation process.

(f) Agreement about the destruction of chemical and nuclear weapons in the area and reducing conventional arms.

If Israel agrees with the Arab countries about the aforementioned subjects and decides to live in the Middle East as a peaceful neighbor and not as a colonial apartheid regime, negotiations can be made between Israel and the Arab governments about other important matters of mutual interest .

Mr. Secretary,

These suggestions are very practical from the International point of view. We in the Arab Higher Committee for Palestine believe that the best final solution for this problem is as follows:

Palestine, which was under the British mandate, should be constituted as a Holy Land state with Jewish and Arab cantons where Muslims, Jews and Christians can live in that democratic Holy Land state without any discrimination on the grounds of race or religion. The Holy Land state should have no army or airforce, but a police force. It should be open to pilgrimage and tourism for all nations and religions. Then and only then the sanctity of the Holy Land can be preserved and peace and justice will reign in the Middle East.

Respectfully yours,

Issa Nakhleh
